Questions

1. The Israelites wandered the desert under the constant provision of God's bread named Mana in Exodus 16. Do we still have Mana today?
2. An "Egypt Moment" is a time when we look back at our lives and figure that we had it better when _____. Do you still have these moments in your life? Are they true?
3. Does understanding the Old Testament story of the Mana in Exodus 16 shed new light on the miracle of the feeding of the 5000 in John 6? How so?
4. Our culture plays a constant and unhealthy message of consumerism. That message seems to seep into all parts of our life like yeast in bread. How can we as a church change that?
5. We read in 1 Corinthians Paul's example that a "little leaven leavens the whole lump". If that is true of our sins, then is it also true of Jesus?

Pray Together

- That God may open the eyes of the church to the fact that what we need is more Jesus in our lives...
- That God may show us the old bread in our lives that is infecting parts of our lives for the worst...
- For the needs of the group...
